Dear Chair DeLauro and Ranking Member Granger:

"I am requesting funding for the Juniata College's One Health Initiative in fiscal year 2022.

The entity to receive funding for this project is Juniata College, located at 1700 Moore Street, Huntingdon, PA 16652

The funding would be used for improving public health and education by integrating community engagement, computational sciences (e.g. data science, bioinformatics), biotechnology research discoveries, ecology, environmental science, and epidemiology to address challenges and research gaps associated with tickborne diseases.

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

John Joyce, M.D.

Member of Congress
